Make your next event a BarbeCURE®!

Nothing brings people together like a BarbeCURE®!

This summer, we're asking everyone to turn their next BBQ into a BarbeCURE® - an Aussie barbie that raises money for cancer research.

Join us and host a BarbeCURE® in your School, Daycare, Preschool or University. It's easy, just bring your community together, have a BBQ, and ask them to make a donation. Your BarbeCURE® will help fund cutting-edge cancer research by brilliant scientists working across all cancer types.

Cancer kills almost 10 million people every year and impacts countless more. The only way we can change that is through research. Cure Cancer's BarbeCURE® has raised over \$1.27 million to support emerging cancer researchers, improving treatments and outcomes for patients.

This year we aim to raise \$200K to fund two new cutting-edge research projects.
