

Make a splash for vital cancer research and Swim for a CURE!

This March, we're asking everyone to make a splash for cancer research. Cure Cancer's Swim for a CURE is a swimming fundraiser where every stroke counts in our mission to help fund vital cancer research.

Just \$75 funds one hour of life-saving cancer research.

It's easy to get involved. Wherever you live and no matter your fitness level, you can swim your way to become a hero helping to fund vital cancer research. Take on your mission individually or create a mission crew with your friends, family, and colleagues.

Your Swim for a CURE will help us fund more vital cancer research projects.

1.

Decide your swimming mission - individual or team?

2.

Set your swimming distance goal for March 2024

3.

Register your Swim

4.

Swim and raise funds for vital cancer research.

So, grab your swimsuit and goggles & join Cure Cancer's Swim for a CURE in March 2025.

1 - 31 March 2025
