

How to make your BarbeCURE® sizzle!

So you've registered to host a BarbeCURE® with work...what next?

Decide on your BarbeCURE® theme:

- ☐ Remember, a company BarbeCURE® can be anything you want it to be: have it in the office, or a venue of your choice, have a team cook-off, an auction, or just get together over BBQ skewers.

Set the date and invite your colleagues:

- ☐ Make sure you print or download our free invitation template at:
curecancer.com.au/barbecue/resources

Personalise your page:

- ☐ Create your company fundraising page and update it with a photo and a little bit about why you're hosting a BarbeCURE®.

Send a reminder:

- ☐ Send a reminder email before the event with a link to the fundraising page.

On the day:

- ☐ Prep your food and hang up your posters - you'll find a printable poster at:
curecancer.com.au/barbecue/resources
- ☐ Encourage online donations and/or make sure your donation box is visible. Let your colleagues know the difference every dollar makes.
- ☐ Capture the day with lots of pictures.
- ☐ Have fun and enjoy hosting your BarbeCURE®!

Post-event:

- ☐ Time to bank your funds - head to page 7 in the BarbeCURE® guide to find out how.
- ☐ Share your photos on your socials and remember to tag @curecancer.au #barbecue. You can also email them to:
community@curecancer.com.au
- ☐ Thank your colleagues and let them know how much they have raised to help cure cancer.
- ☐ Put your feet up, safe in the knowledge that you've made a real difference!
